· YOUR NO.1 PARTNER  
· BEST COLLECTION !

## MORE FOR YOUR IMAGE!

Umbrellas are not only rain prediction, they are advertising media with a large printing area. They present a company logo or an advertising slogan as a true eye-catcher.

Since 1987 we have been trading in pocket umbrellas, golf umbrellas, stick umbrellas, parasols and children's umbrellas, and know the market very well.

As the leading supplier in Europe, we have a stock of approx. 2 million umbrellas for you.

Quality is our priority. Our Polish branch, where our printing house is located, maintains a Certificate of Quality PN-EN ISO 9001:2009.

The DEKRA seal stands for safety you can trust.

Our exclusive brand for high-quality umbrellas.

Why do we love our brand CREADO®?

If you don't want to leave someone out in the rain, you've been giving them only the best for over 16 years:

Umbrellas from our exclusive own brand CREADO®.

These umbrellas can do much more than just protect against wind and weather. Strict quality standards, a high degree of resilience, and longevity characterise the CREADO® products. We attach particular importance to an individual and elegant design, which is reflected above all in the elaborate details and the constant customer satisfaction.
